TridentUSASM
Mobile Clinical Services

Introducing Vision, Foot Care and Nurse Practitioner Medical services!

TridentUSA Mobile Clinical Services and its affiliates provide a single, comprehensive source for Vision, Foot Care, and Nurse Practitioner Medical Services support throughout the Southern United States. TridentUSA Mobile Clinical Services believes in every patient's right to high quality health care and has been providing services to over 1.5 million residents in skilled nursing homes, home health and assisted living facilities for more than 15 years.

Our goal is to reduce hospital re-admissions, reduce resident travel to offsite doctors, keep expenses down by decreasing transportation costs and staff hours, while providing quality comprehensive healthcare services for seniors wherever they reside.
